

trÉVISO

Avantages du pavé Tréviso :

- très facile à installer grâce à ses morceaux modulaires
- ne nécessite aucun processus d'installation puisqu'il se dispose aléatoirement
- s'agence à merveille avec le cercle Appia
- son fini ardoise est des plus raffiné
- couvre rapidement avec ses blocs de grandes tailles

Advantages of the Tréviso Paver stone:

- very easy to install, thanks to its modular design
- does not require any installation process as it is laid randomly
- works beautifully with the Appia circle
- its elegant and sophisticated slate look
- its large blocks cover areas quickly

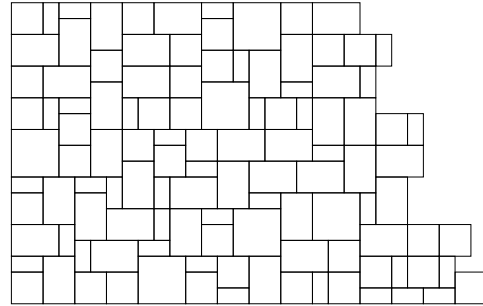

Tréviso		
	Dimension mm	pouces / inches
